Kathe Shinham, Vice President of Administration and Finance
Northern Arizona University
P.O. Box 4137
Flagstaff, AZ 86011

Subject: Air Quality Control Permit No. 42956
College or University - Place ID: 2412

Dear Ms. Shinham:

The Arizona Department of Environmental Quality, Air Quality Division, has completed its review of the referenced permit application.

I am prepared to recommend that your Air Quality Control Permit be issued with conditions necessary to meet all rules and regulations applicable to this source related to air pollution control. A draft of the Permit with appropriate conditions is enclosed for your review.

In accordance with Arizona Revised Statute §49-426.D, a Public Notice will be issued in the **Arizona Daily Sun** and the **Williams-Grand Canyon News** on February 20, 2008, and February 27, 2008, and will give instructions for making comments and an opportunity to request a Public Hearing on the Permit. A copy of this Public Notice is also enclosed.

You will need to post a copy of this Public Notice adjacent to the nearest public roadway on the property where your facility is or will be located. This notice posting should conform to the attached Public Notice posting requirements. The notice should be posted from the date of first publication to March 21, 2008.

If you have any questions, please contact Smita Nagubandi at (602) 771-4338 or me at (602) 771-4310.

Sincerely,

Scott Baggione, Unit Manager

6. Sign shall be made of 1/4-inch plywood.

PUBLIC NOTICE

YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) proposes to issue Air Quality Control Significant Permit Revision Number 42956 to Northern Arizona University for the operation of boilers, emergency generators, cooling towers, wood-fired kilns, gas-fired kilns and spray booth heaters located at Northern Arizona University, Flagstaff, Arizona 86011, Coconino County. The proposed Permit is subject to the requirements of the federal Clean Air Act, Title 40 of the Code of Federal Regulations Part 60, Subpart IIII and Arizona Administrative Code, Title 18, Chapter 2, Articles 3, 6, and 7. This proposed Permit will limit emissions of the following types of air contaminants: carbon monoxide, nitrogen oxides, volatile organic compounds, particulate matter and sulfur dioxide.

This Public Notice provides information to help you participate in the decision-making process. You have an opportunity to submit written comments on this Permit, and request that ADEQ hold a Public Hearing on the Permit. The written comment shall state the name and mailing address of this person, shall be signed by the person, their agent or attorney and shall clearly set forth reasons why the permit should or should not be issued. Grounds for comment are limited to whether the Permit meets the criteria for issuance spelled out in the State Air Pollution Control laws or rules.

Materials related to the Permit, including the application, ADEQ's analysis and the draft permit are available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona and at the City Clerk at 211 West Aspen Avenue in City Clerk of Flagstaff.

Persons wishing to submit written comments or request a Public Hearing have until March 21, 2008, to do so. Comments and/or requests should be directed to: Director, Air Quality Division, ADEQ, 1110 West Washington Street, 3415A-1, Phoenix, AZ 85007.

ADEQ will consider all comments received in making a final decision on the proposed Permit. Everyone commenting will receive notification of the final decision. People who file comments on the Permit will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Linda Morrison (602) 771-4794 TDD phone 771-4829. Requests should be made as early as possible to allow time to arrange the accommodation.

If you would like to receive copies of future Public Notices of Air Pollution Control Permits, please provide a typewritten or a clearly printed copy of your name, address, and ZIP code, to the Director of Air Quality Division at ADEQ's address shown above. Your request should also state that you wish your name to be placed on the Air Quality Permit mailing list.

If you have any questions or would like to find out more information about this Permit, please contact Scott Baggio at (602) 771-4310, when in Arizona (800) 234-5677 (Ext. 4310), or at ADEQ's address shown above.
